

Dear Valued Customers,

We want to thank you for your continued support and enthusiasm for our products. Due to our current facility expansion and improvements to our production process, there will be a temporary delay in the production of our chia pudding and hemp bars.

This expansion will allow us to increase capacity and improve efficiency so we can better serve you in the future. During this transition, production schedules may be briefly affected, and orders for these items may take longer than usual to fulfill.

We sincerely apologize for any inconvenience this may cause and greatly appreciate your patience and understanding while we complete this important upgrade. Our team is working hard to resume normal production as quickly as possible.

If you have any questions regarding your orders or availability, please feel free to reach out to us.

Thank you again for your continued support.

Warm regards,

Sembre Team
